### PAST EVENTS

#### **11 July - Shrimp Boil**

Another successful Shrimp Boil is in the books. Thanks to Ed Mohr and his crew including BJ and Sharon Bechtold, Denny Schetter and Jim Sherwood for an outstanding job. We sold out at 98 plates of shrimp and sides.

#### **FROM THE GALLEY (LINDA JOHNSON 618-466-9914)**

The plan is for our Sunday Buffets to return as soon as our Harbor project is complete. Chef Geo will be off on the 2nd, 15th and 29th of August, but we are ready: Sunday the 2nd will offer Geo's prepared frozen pizzas. Saturdays the 15th and 29th will each offer "Delightful Debbie's Bodacious Buffet."

#### **CHAIRMAN (MATT WOULFE 618-465-3151)**

Reluctantly and due to rising costs throughout the club, the board has voted to raise the price of all alcoholic beverages by 25 cents each. This change is effective August 1st. Members are reminded that any volunteer work that is done in and around the club will offset costs and keep harbor, galley and all other prices low. Contact a board member to help.

NEWSLETTER  
AUGUST 2015

**322 MEMBERS:**      179 REGULAR      138 SOCIAL      5 HONORARY

**2nd HALF DOCK PAYMENT IS DUE ON AUGUST 1st - NEW COUPON BOOK AVAILABLE AUGUST 1st**

**BAR (BOB JENKINS 618-406-6034)**

There may be another steak night looming this fall, keep an eye on your newsletter for details. Don't forget to tip your Chef and Bartenders.

**DOCK REPAIR (MATT KNIGHT 618-407-9890)**

It can't be said enough, VOLUNTEER to help your club. There is a ton of work involved with our harbor dredging project. Even after dredging itself is complete, there will be a huge amount of work to be done including replacing docks, which will take longer than removing them did. Thanks to those who have already donated their personal time and a big thanks to Red Dunham for the use of his crane.

**DOCK ASSIGNMENT (JIM NEUMANN 314-580-0538)**

With our harbor temporarily closed for dredging, Piasa Harbor is offering a "Dredge Special." You can dock your boat at Piasa Harbor for \$125 for a month during our maintenance. For more information contact Chairman Woulfe or Chairman Neumann.

**ENTERTAINMENT (CLIFF RUSHTON 618-781-1156)**

The Boat Run is upon us. Cliff and Yvonne could still use a few volunteers. If you can help with this event on or off the water, contact Chairman Ruston.

**GROUNDS (DOUG PICHEE 618-580-6930)**

Although the main parking lot is being used by the ongoing dredging project, you are still required to maintain your temporary parking area. Also, as soon as our main parking lot is clear of dredging equipment, Chairman Pichee plans to re-rock the entire lot.

**HOUSE (RICH KORTKAMP 618-466-7518)**

Chairman Kortkamp is coordinating to clean the floors in our club. This will be done in early September. Our club's faulty air conditioner has been repaired.

**SPECIAL EVENTS (RON JENKINS 314-852-7860)**

As always, the Turkey Shoot requires many volunteers, and much coordination. It's not too early to contact CPT Ron if you can help. Volunteer signup sheets will be posted at the club as we get closer to the event.

**MEMBERSHIP (LINDA JOHNSON 618-466-9914)**

*Attention Social Members:* With major improvements to our harbor underway, the club is sure to see an influx of new members join and take advantage of our assets. Now is your chance to upgrade and become a regular member, get your seniority date set and have a better choice of slips. If you're not much of a boater, being a regular member gives you the voice and the power of vote at membership meetings to speak your mind and improve your club. The cost of upgrading works out to just over 6 dollars per month. Now is your chance.

**FROM THE COMMODORE**

Our Boat Run is only a week away and our harbor is under repair. Chairman Matt Knight, his fellow volunteers and the Groh Dredging crew are doing everything they can to arrange for the ramp to be open on the day of the event. After that the harbor will again be closed. A very tentative goal for re-opening just the ramp is August 21st. The docks and walkways will take much longer to set and to reconnect water and electricity to each. Again, a huge thanks to the member volunteers who have donated their time to help with this project.

The levee that our members constructed around our club in case of flooding remains standing and will be addressed at our August 3rd board meeting.

As our member numbers reflect, a recent combing of our roster for non-payments has resulted in a loss of more than a few members. If you still need to pay any dues for 2015, contact the club immediately.
